

Business Management Subscriptions now include 3 free Sub-User

abenetis improves it's subscriptions by enabling subscribers to add up to 3 Sub-Users free of charge.

20. July 2005

abenetis offers web-based services about Business Management, including Company/Employee Handbooks, operational and strategic Analysis such as Early-Recognition-Systems and much more.

All services have been available at an annual subscription fee per user. Now all subscribers are able to add up to 3 Sub-User free of charge. This means that one Subscription could be used with 4 users at just one annual subscription rate. Each additional Sub-User will cost a small extra annual fee.

At the moment each user has it's own working environment, but soon it will be possible to administrate the collaborative usage of some specific modules of the abenetis services.

More details about subscriptions offered by abenetis are available at the Website at <http://www.abenetis.com/products-and-services.html>.

Subscriptions start at an annual rate of 75.00 EUR (or USD 90.00, GBP 50.00) per user (including 3 Sub-Users for free) plus german value added tax if applicable.

abenetis offers web-based services in the area of Business Management. This includes operational and strategic analysis especially Early-Recognition-Systems, Knowledge-Management and other Services for small and mid-sized businesses.
